SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

We are excited to announce the upcoming 2023 conference (and AAPLOG's 50th anniversary) at the beautiful El Conquistador Tucson.

The Matthew Bulfin Educational Conference (MBEC) addresses topics of interest to pro-life practitioners and provides the opportunity to meet and interact with researchers, speakers and physicians. It offers an outstanding opportunity to network with like-minded pro-life colleagues in a stimulating professional setting. Physicians, residents, medical students and other medical professionals find encouragement among colleagues who understand what it is like to practice pro-life medicine in a pro-abortion environment.
