SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

We are pleased to announce the 2027 Matthew Bulfin Educational Conference (MBEC) hosted by the American Association of Pro-life Obstetricians and Gynecologists (AAPLOG) in St. Louis, MO. This is the preeminent annual event for OB/GYNs and other medical professionals, medical residents and students, and others who practice or support life-affirming medicine.

WHO WILL BE ATTENDING

The conference draws hundreds of participants from around the country including:

- Practicing physicians of many specialties – especially OB/GYN, family medicine, emergency medicine, and pediatrics
- Midwives, nurses, and other medical professionals
- Medical students and residents
- The leading pro-life organizations nationwide and pregnancy resource center directors/staff
- Research, policy and media experts

WHY SPONSOR THE MBEC CONFERENCE?

Through your sponsorship, you will have the opportunity to educate and engage participants through programming, exhibitor booths, and promotional benefits that allow your organization to:

- Build brand awareness in the pro-life and medical communities
- Expand your network and arrange invaluable in-person meetings with attendees
- Build new relationships to increase your organization's effectiveness after the event
- Attend MBEC meeting sessions
- Meet many first-time attendees

Above all, your sponsorship allows AAPLOG to continue to lead as the medical voice of the pro-life movement, empowering the larger pro-life community, and in ensuring a future for life-affirming healthcare.

EXHIBIT POLICY: All potential exhibitors must be approved to exhibit at the 2027 MBEC Conference. Once reviewed and accepted, exhibitors will receive instructions to purchase their booth or other marketing opportunities. AAPLOG reserves the right to decline sponsors or exhibitors promoting issues or products that do not align with AAPLOG's mission.
